This meeting will be included in the school calendar and noted in the announcements.

___ When my son's free period comes at the end of the school day, he has my permission to leave campus. He knows that he cannot do so if he has a scheduled school activity after his free period.

The parent signature below acknowledges that the parents assume responsibility for their son before he arrives to campus and once he leaves. In his or her signature, the parent agrees to hold harmless Bellarmine College Preparatory and any individuals connected with said school for damages for any injury which might arise either before his or her son’s arrival to campus or after his departure. Separate of this waiver, school policies that govern off-campus behavior continue to apply.
